**FLAT OUT
FAST
DELIVERY**

*With Speeds Up
to 1600/Minute*

Priority Envelope was founded in 1996. We started with two Halm Jet presses, five employees and a 5,000 sq. ft. building. Our deep desire to provide extraordinary customer satisfaction has been the basis for our success. Today, we have grown to three locations, a 82,000 sq. ft. building in Plymouth, MN, a 96,000 sq. ft. building in Nevada, IA, and a 38,000 square foot building in Lenexa, KS. We have over 200 dedicated employees with a sharp focus on success! We're bullish and will settle for nothing less than perfection when taking care of our customers. **GUARANTEED!**

SERVICES
